我不想让

...当隐形人.

看来我又得靠自己琢磨这些了.

亏~~~~!艾莉来找你了!

艾莉?  
我小表妹怎么来了?

嘿,艾莉!留下吃晚饭吗?我正在做些—

哦!好吧!你看起来...有些不一样!

亏.

我需要你帮忙.

所以是那些孩子在骂你吗?

不是.他们就总是说,我应该治好自己.

什么意思?

他们说有种变种人的...病会传染.

所以我得治好自己.这样我就不会...这样他们就不会...

你能跟他们谈谈吗?就解释一下到底怎么回事?

交给我吧,艾莉.

第二天...

艾莉!

亏

我当然来了。  
不能让这种人

是的,你要跟

什么?!给我

听起来你  
真的让你

好吧,但  
那不是我  
本意——

而且那天  
你还丢下  
队友跑了.

没人怀疑  
你对原则的  
坚持,呵.

“我们只是希望你也同样在乎我们。”

艾莉,我能进来吗?

你可以直接穿过来,不用许可。

+抽泣+

对不起,表妹。我只是讨厌让那种人让你觉得自己被忽视了。

被忽视?! 所有人都盯着我看个没完!!!

那...那样不太体贴,所以我问一下。

我本应该先问问你想要什么。

我想要你教我如何为自己发声,如何教会他们道理。

你总是知道该怎么做。

所以我崇拜你。

我不是每次都知通,艾莉,我有时也很迷茫无知。

对不起让你丢脸了。

你提醒了我一件事。

我必须采取行动去捍卫我在乎的事物。

"但我不能在这个  
过程中忘记  
我所在乎的人。"

省健身房  
会员费呢?

巧一很高兴  
见到你,但你  
不必待在这里。  
我希望你能—

做选择?  
凯蒂...你觉得  
你能让我做我  
不想做的事吗?

也许你觉得  
这很慢,但当  
我像你这么大的  
时候...

...我以为我是  
在为自己做选择。  
但现在回头看,我  
不那么确定了。

你有着坚定的  
道德准则,巧。  
这很难得。

我曾以为,成为  
X战警意味着道德  
准则的罗盘永远  
指向正北,无论如何  
都不会偏差。

但现在...

...我能确定的。  
只有此刻我想成为  
怎样的人,而这个人,  
愿意对你担起责任。

如果你选择  
接受的话。

...准备好。

你才该  
准备好。

好，  
非常好。

好吧。

不，真的。  
你的时机  
把握得真好。

不，  
我是说...

...我选择  
留下。

即使你不  
完美，即使  
我们不完美。

我选择  
留下—  
成为一名  
X战警。

...所以这是个  
收集DNA的APP?!

就为了瑜伽动作  
和穿搭建议?

我表妹班上的  
孩子们都着迷了，  
不过你知道，潮流  
来来去去。

"我敢肯定，  
没人真的在用  
这破玩意儿。"

# EXCEPTIONAL X-MEN

The letters have been flooding into the ol' mutant dojo, so let's check them out!

Hello!

I just wanted to say that I am loving EXCEPTIONAL X-MEN! The scene in issue #1 where Kate narrates about her ability to pass both physically and socially as people discuss their anti-mutant prejudices right in front of her really hit on everything that I find fascinating about Pryde as a character in one small moment. The character work has been great so far, and I'm super eager for more! If I may ask, however--what made you decide to keep Kate, Emma and Bobby (noted crewmates in MARAUDERS) in a book together as we enter this new era with so many new dynamics and roles for established characters?

Make Mine Marvel,  
CC

The genesis of this series was always Kate teaching a new generation of mutants. Given their complicated history, we felt Emma's presence would add some real spark and prove a challenge to Kate. Same goes for Bobby!

Dear Ms. Ewing,

After reading the first issue of EXCEPTIONAL X-MEN, I felt strongly compelled to write this letter. I have been very, very jaded about the direction X-Men comics have been going the past several months. But this issue emotionally affected me in a way a comic has not in a while (I'm going to be frank, I did very much cry lol). I'm a trans kid in a not-

so-friendly state, and that feeling of seeing someone in a crowd who is like you, but you don't know how to say it, or express solidarity, is very real and just so perfectly represented in this issue.

I see the trans kids younger than me and don't know how to help them. I just hope that me being there is good for them, and that if they need me, I can help them. Seeing Kitty struggle in the same way was incredibly cathartic, and her wearing the earrings was such a lovely moment. Can't wait to see more of these new characters! Their designs look amazing (the art is stunning, and the colors make everything pop so perfectly), and I'm super excited to see who they are as people in future issues! Thank you.

X-Fan in Appalachia

P.S. I'm really psyched to see the X-Office bringing back letters columns! It's always been one of my favorite parts of reading older issues, and I think it's a really cool way to open discussion between readers and creators. :)

As you wrote, sometimes, just being ourselves is a revolutionary act and can provide a model and hope for others. The X-Men have certainly always embodied that. Thank you for being brave--and true to yourself!

Hello,

I just finished reading the first issue of EXCEPTIONAL X-MEN after a long hiatus of not reading comics since my childhood. And I have to say that it makes me feel like a child again as I am

excited for the next issue. I'm hoping the series gets a lot of attention because it already encapsulates what X-Men are all about. Eve Ewing and the team did a great job.

Josh

Hello, people at the X-Desk!

This is my first time writing in, and I am currently writing this to let you guys know that you're killing it with the current X-Men stuff! I really think that Kate should eventually deal with her thoughts and get through everything in a healthy way! I really hope that she eventually does too! She deserves to be happy, especially after everything that happened during the Fall of the House of X story arc! Kitty/Kate is one of my favorite X-Men characters!

P.S. I was just curious as to how old Kate currently is. How old ACTUALLY is she, currently? From what I know, she was 13½ when she first joined the X-Men back in 1980. But how old is she now? Could you possibly give an estimate if her actual age isn't known? (For example, something like early 20s, mid-20s, maybe?)

Your friend,  
Nick K.  
PA

Hey, friend! Kate is directly dealing with her recent past in our current issues, as you've hopefully seen. As to her age, Marvel time is very much its own thing, but it's safe to say that Kate's in her mid-20s.

See you all next issue!

# X-MENTIONS

THE GOVERNMENT HAS SPENT A GREAT DEAL OF TIME, EFFORT AND MONEY DEVELOPING THAT MUTANT'S NATURAL-BORN SPEED, STRENGTH AND SAVAGERY INTO THE SKILLS OF A PROFESSIONAL WARRIOR!

- What do you get when you bring together five of the most lethal badasses in the mutant world? Why, you get **WEAPON X-MEN #1**, of course! Not to be confused with last year's Wolverine-themed limited series, this all-new title unites Wolverine, Deadpool, Cable, Chamber and Thunderbird as an uneasy squad delivering bone-crunching payback to those who need it most! It's the brainchild of writer **Joe Casey** and illustrated by **ChrisCross** and **Mark Morales**, and it's coming your way next month!
- Only a few issues in, and **EXCEPTIONAL X-MEN** has already garnered a reputation for being the kinder, gentler, more leisurely X-Men title. But all of that is about to change! **EXCEPTIONAL X-MEN #6** kicks off a story sequence that we've been affectionately calling "The Deep End," and it'll pit our squad of newbie X-Men against one of mutantdom's most powerful and popular foes! Who is it? Well, we wouldn't want to spoil the surprise that **Eve L. Ewing** and **Carmen Carnero** have been whipping up! But suffice it to say that things are about to get very, very real for our young students, and not everybody is going to come out the other side unscathed!
- But the big story has to be our first tiny little X-Crossover, taking place in the pages of **X-MEN** and **UNCANNY X-MEN**! We've been steadily building up to **RAID ON GRAYMALKIN** since our new runs started, and this storyline will calibrate the manner in which our two most prominent X-Groups relate to one another going forward. Plus, it's filled with action, surprises, heartbreak and drama, just the way you like it! The whole thing is only four issues in length, two of each title—we are sympathetic to the fact that some readers feel like crossovers such as this one are so costly. But if you're following either title, or the X-Line in general, it's a story not to be missed! Consider yourselves notified!
- It's finally happened! Doctor Doom has taken over the Marvel Universe! Now empowered as Earth's Sorcerer Supreme after the events of **BLOOD HUNT**, Doom is making his grab for power—and it's one that will be felt in the mutant corner of the world as well, most immediately in **STORM #5**, **NYX #8** and **X-FACTOR #6** next month! But expect the spine of the story to play out in **THE RISE OF EMPEROR DOOM** by **Ryan North** and **R.B. Silva**! We guarantee that you won't be able to guess where this is all going!

EXCEPTIONAL X-MEN #6

UNCANNY X-MEN #8

- There's a new face in the X editorial office, so please give a mighty mutant welcome to former Marvel intern **Cy Pedro Beltran**, who is stepping in to assist **Mark Basso** on all things claw-covered and violent. Look for his credit in the pages of **DEADPOOL**, **WOLVERINE**, **DEADPOOL/WOLVERINE** and other such similar series! Meanwhile, the departing **Drew Baumgartner** is heading for conflicts among the stars as his responsibilities shift over to **Mark Paniccia's STAR WARS** office. May the something be with you in your new duties, Drew!

## QUESTION OF THE MONTH:

**“Who is the most underappreciated character in the extended X-Men family?”**

(Who do you love that everybody else ignores?)

**JOE CASEY** – Stacy X. Insert your own joke here...

**CHRISCROSS** – Madrox and Havok. These guys are rarely seen or ever truly fleshed out. I think I just found the best mutant buddy comic the world needs to see! The mutant Murtaugh and Riggs!

**GAIL SIMONE** – I always thought Polaris would be a lot bigger if the other mutants weren't all jealous of her fabulous hair.

**JAVIER GARRÓN** – Shatterstar! Come on, he shattered a star! ... (awkward pause in the room) No? Didn't he? Isn't that the reason he got that name? Why are you all looking at me like that?

**DAVID MARQUEZ** – Up until HEIR OF APOCALYPSE, I woulda said Cypher, but it seems there are already some plans in the works. Although, depending on how that goes, I have a couple of ideas...

**MARTIN BIRO** – Murmur—she's French (Canadian), she's flirtatious, mysterious and she'll control your mind!

**ANNALISE BISSA** – Eye-Boy! He sees everything, and he deserves to be seen more by us!

**TOM BREVOORT** – I have a strange liking for Pixie, so much so that it's kind of strange that she hasn't shown up yet. And also, dating back to my NEW WARRIORS days, Justice.

- ❑ **DEADPOOL/WOLVERINE #1** – Logan and Wade—the team-up so right it demands an ongoing series!
- ❑ **MAGIK #1** – The mystic mutant goes demon hunting in her own series!
- ❑ **UNCANNY X-MEN #8** – RAID ON GRAYMALKIN, Part Four: The grim finale!
- ❑ **UNCANNY X-MEN #9** – The X-Men's new students are hunted by a pack of bestial Stealth Sentinels!
- ❑ **X-MEN #10** – The agents of O.N.E. are coming for the X-Men. But Cyclops has a plan...
- ❑ **EXCEPTIONAL X-MEN #5** – Are the Exceptional X-Men finished? Could be—now that they've discovered Kitty Pryde's murderous past!
- ❑ **PSYLOCKE #3** – The first rule of mutant fight club? Don't let Psylocke find out you started a mutant fight club.
- ❑ **STORM #4** – Alone and without her powers, Ororo ventures into Latveria—for a fateful dinner with Doctor Doom!
- ❑ **WOLVERINE #5** – Weapon X changed Wolverine's life forever when they bonded his skeleton to the unbreakable metal adamantium. THIS IS WORSE.
- ❑ **X-FACTOR #6** – Still reeling from one betrayal, can X-Factor survive another?
- ❑ **PHOENIX #7** – Thanos has allied himself with the Dark Gods to destroy the Phoenix...for good!
- ❑ **X-FORCE #7** – Betsy and Rachel's star-crossed romance faces a new challenge...and a new villain: LA DIABLA!
- ❑ **MYSTIQUE #4** – Can Nick Fury convince S.H.I.E.L.D. of Mystique's threat before it's too late?
- ❑ **SENTINELS #4** – The truth behind the Sentinels' origin is revealed!
- ❑ **NYX #7** – SYNCH has come to the city... and it's no social call!
- ❑ **LAURA KINNEY: WOLVERINE #2** – Is New York big enough for both Wolverine and Daredevil?!
- ❑ **CABLE: LOVE AND CHROME #1** – Time's Footsoldier is caught in the midst of a dystopian Techno-Organic civil war!
- ❑ **HELLVERINE #2** – Get back to where you once belonged, Hellverine... just don't bring Hell to Earth!
- ❑ **ROGUE: SAVAGE LAND #1** – Trapped and powerless, Rogue must survive mutants, dinosaurs and Magneto!
- ❑ **SABRETOOTH: THE DEAD DON'T TALK #2** – Victor Creed's time among the gangs of the early 1900s is revealed!
- ❑ **AVENGERS #22** – To gain intel on the next Tribulation Event, the Avengers must rob the Infinite Casino! And who better to assist than the Black Cat?
- ❑ **DEADPOOL #10** – The Return of Wade Wilson! DEADPOOL is in the house! And so is, uh, the new DEADPOOL!
- ❑ **NAMOR #6** – The War of the Seven Kings reaches a bloody turning point!

**LETTERS PAGES!** They're making a comeback! And we want to hear from you! Email us at [OFFICEX@MARVEL.COM](mailto:OFFICEX@MARVEL.COM) and mark your messages “Okay to Print” for a chance to see them answered in future issues!
