The image is a halftone graphic composed of black dots on a white background. At the top center, the letters 'MIFC' are printed in a bold, sans-serif font. Below them is a large, stylized letter 'C' filled with a halftone pattern. To the right of the 'C' is a circle with a halftone pattern. In the center, the word 'GUNS' is written in a bold, blocky font above the word 'TECH'. To the left of 'GUNS' is another circle with a halftone pattern. On the far left, there is a large, abstract shape resembling a stylized 'S' or a wave, also with a halftone pattern. At the bottom center, there is a small, thin, jagged shape.

日 月 限 定 彼 女

A 4x4 grid of 16 small square icons, each containing a different geometric shape or pattern. The icons include various combinations of dots, lines, and shaded areas.

ACTO

The image consists of a horizontal sequence of seven grayscale frames. From left to right: 1) A small black dot at the top center. 2) The vertical stroke of a handwritten digit '1' starting from the bottom. 3) The vertical stroke continuing upwards. 4) The vertical stroke almost complete. 5) The vertical stroke fully formed, with a small horizontal stroke extending from the top right. 6) The digit '1' is now fully formed and centered. 7) The digit '1' is shown again, slightly blurred or faded.

A halftone graphic consisting of a diagonal line sloping upwards from bottom-left to top-right. The line is composed of a series of black dots arranged in a zigzag pattern across a white background. Above this line, there is a large rectangular area filled with a uniform halftone dot pattern, creating a textured gray appearance. The overall effect is a high-contrast, dotted representation of a diagonal boundary or slope.
